Dear JJ:

I am writing to let you know what a great job WorkplaceRx has done for us on our relocations and assisting us with the liquidation of our existing furniture. Your experience with the pre-owned furniture market was necessary and helpful in allowing us to sell and remove furniture from our space in a timely and cost effective manner. Given the tight schedule, I was pleased by the performance of your uniformed and professional team. They disassembled and moved not only our furniture in a strategic manner, but also the technology equipment from our server and Telco rooms without any damage to the equipment or downtime to our employees.

I appreciate the quick response to our requests for proposals and WorkplaceRx diligence to do the work on time and in budget for which you were engaged to perform. It is difficult to find and develop relationships with vendors that do what they say and I appreciate the fact that Workplace Rx has consistently delivered on your promises to Accenture.

We look forward to working with you in bidding on our future facility service needs.

Sincerely,

Doris Duncan, CFM  
Facilities Manager
